NB

- The AF&RS Over £5k Contracts dataset contains a list of formal contracts for goods and services that exceed £5,000 (excl VAT) that are in place between Avon Fire Authority and the provider
- This dataset will be published on a quarterly basis
- Any expenditure over £5,000 (excl VAT) that does not require a formal contract will appear on the '[AF&RS Spend over £500' dataset](#)', which is published monthly on our website
- We kindly ask that no AF&RS individual staff are contacted direct regarding marketing enquires but that official channels are used via the [Supplier pages of the website](#)

(As at Dec 2014)
